1 Looking for a stylish new music system? Take the retro route with a portable turntable, as Bella Freud did (page 172). For the record, Urban Outfitters sells an array of Crosley's coloured numbers, including this olive 'Nomad' vinyl player (£200). Visit [urbanoutfitters.com](http://urbanoutfitters.com).

2 Keen as mustard on Bella Freud's yellow fitted carpet (page 175)? We certainly are, which is why we've found out where to get it: prices for 'Richelieu Velours 4303' start at £113 per sq m from Belgian company Louis de Poortere. Ring 00 32 56 393 393, or visit [louisdepoortere.be](http://louisdepoortere.be).

3 Retrouvius sourced antique brass wall lights by Warren Platner for Bella Freud's London pad (page 168). While the fittings themselves are no longer in production, other pieces by the American architect are still manufactured by Knoll, among them this side chair, which is plated in 18ct gold. Prices start at £4,344. Ring 00 39 0371 206 9266, or visit [knoll-int.com](http://knoll-int.com).

4 Colour abounds in Bella Freud's London home, where tomato-hued leather covering an ottoman stands in contrast to a grassy green carpet (page 172). Seeking a hide with the right red cred, we found Edelman's offerings to be the best match. Fire 'Ranger' (top) and burnt orange 'Stella' both cost £205.11 per sq ft. Ring 020 7351 7305, or visit [edelmanleather.com](http://edelmanleather.com).

5 Abdou serves drinks in what appear to be rather smart glasses (page 189), but given the laid-back look of his fish restaurant, we wouldn't be surprised if

they were plastic posing as cut crystal. A smart move, we think, especially after finding Mario Luca Giusti's acrylic designs. These high 'Dolce Vita' wine glasses, which come in seven jewel-like colours, cost £18 each. Ring Amara on 0800 587 7645, or visit [amara.com](http://amara.com).

6 Good golly, that broly on page 192! Life's a beach if you've an umbrella under which to sip a drink like the patrons of Abdou's seaside café. How fortunate, then, that Vida XL makes a shaggy-topped parasol that's strikingly similar. It's yours for £227. Visit [wayfair.co.uk](http://wayfair.co.uk) ■
